

Problems and Solutions in Peace Processes

Dr. Abed El Fatah El Samman

2 Ms

- ▶ Money (dirty money = wars)
- ▶ Mother (under-education of mothers = wars)

So, the solution:

- ▶ Money through teaching literacy of money for children from 3 years old through schools and religious teachings (mosques and churches)
- ▶ Mother (good mother = good humanity) through encouraging mothers to get “**certificate of model mothers**” who have courses in peace education, money education etc.)
