

**Global Health and the Future of the United States:  
A Changing Landscape of Global Health**

**December 6, 2016**

**DRAFT AGENDA**

**Location:** Keck Center, Rooms 207 & 208  
500 5<sup>th</sup> St. N.W., Washington, DC 20001

**MEETING OBJECTIVES:**

- Discuss the changing landscape of global health, and opportunities in the next 4-8 years
  - Examine which goals have not yet been achieved across global health agendas, and how best to improve efficiency across the field to synergize goals.
  - Consider the environment of globalization, competing priorities, and shifting trends of country ownership and multi-lateral collaboration.
- Explore alternative financing strategies and funding models being used in global health programs by public and private sector partners.
- Consider innovation opportunities to improve global health outcomes by leveraging behavioral research, digital tools, and technology.
