About These Materials

Proceedings of a Workshop
Proceedings of a Workshop and Proceedings of a Workshop—in Brief, chronicle the presentations and discussions at a workshop, symposium, or other convening event. The statements and opinions contained in these publications are those of the participants and have not been endorsed by other participants, the planning committee, or the National Academies of Sciences, Engineering, and Medicine.

Perspectives
Perspectives, published by the National Academy of Medicine (NAM), are individually authored by Roundtable and Forum members and outside experts in health and health care. The views expressed in these papers are those of the authors and not necessarily of the authors’ organizations or of the NAM. Perspectives are intended to help inform and stimulate discussion. They have not been subjected to the review procedures of and are not reports of the NAM or the National Academies of Sciences, Engineering, and Medicine.
