The Consequences of Juvenile Justice System Involvement on the Health and Well-Being of Adolescents, Families, and Communities of Color: A Workshop

AGENDA
September 26, 2019

Northern Arizona University
High Country Conference Center
201 W. Butler Ave.
Flagstaff, AZ 86001

Workshop Objectives
1. Describe what we know today, and what the research tells us, about how involvement with the JJ system affects health outcomes for youth, families, and communities.
2. Examine the programs and policies that are successful in all aspects of involvement with the JJ system (pre-involvement; involvement; and post-involvement)
3. Explore what needs to be done to improve all aspects of encounters with the JJ system
