### OPEN SESSION- Discussion with the Sponsor

#### Goals for Open Session

The goal for this open session is for the committee to hear from the sponsor. This includes: (1) getting clarity on the statement of task and the issues/topics that are of most interest to our sponsor; (2) developing an understanding on who the target audience(s) will be and intended impact of the report. The role of committee members is to ask questions and engage in a dialogue with the sponsor.
